

Healthcare during Closures

With the possible unexpected weather closures, PTHA wants to remind patients to plan ahead. It's important to take care of your healthcare needs early and not wait to refill prescriptions, see the doctor, etc. If you're not sure if PTHA is open, please call (253) 593-0232 and listen for a closure announcement.

In the case of a closure, **Puyallup Tribal Members** can access health care services the following ways:

- Calling the PTHA on-call service at (253) 593-0232, after the announcement, press 9 and the on-call service can assist you with: triage, referrals to urgent care and hospitals and assistance with medications.
- Puyallup Tribal Members can also access urgent or emergent care at any health care facility. For urgent care after hours or during closures, please call the on-call nurse first. In case of emergent care situations, patients can notify PTHA within 72 hours of receiving services. Please see the Referred Services brochure for more information. For a copy of the brochure, please call (253) 593-0232 or email: memberservices@eptha.com.
